

## Organic All Purpose

### Ingredient profile

Organic All Purpose flour is milled from a blend of high-quality organic wheat grown on family farms throughout North America and is ideal for a wide variety of baking applications. Ardent Mills focuses on delivering consistent quality and performance. Certified organic wheat grown and processed in accordance with Oregon Tilth Standards.

### Item statement

Product milled from cleaned wheat of sound quality. This product shall be food grade and in compliance with the Federal Food, Drug and Cosmetic Act of 1938 as amended and applicable regulations thereunder. This is not a ready-to-eat product and must be thoroughly cooked before eating. Due to the nature of our products, we do not include microbial parameters as part of our product specification. Product is sifted prior to packing (bag) or loading (bulk).
