RE: Advisory on Allergens: Gluten Free Facilities

The below stated Ardent facilities produce and store gluten-free grains. These facilities do not store or process any of the allergens noted in the Food Allergen Labeling Consumer Protection Act of 2004 ("FALPCA"), and Food Allergy Safety, Treatment, Education and Research (FASTER) Act of 2021. These facilities do not store or process milk, fish, crustaceans, tree nuts, peanuts, wheat, sesame, soy, or eggs.

Sincerely,
Ardent Mills Regulatory Team
