

Keto-Friendly Pizza Mix

KETO-FRIENDLY PIZZA MIX

Kick your innovation into high gear with our Keto-Friendly Pizza Mix.

This simple-to-use solution can help you easily cater to the mindful specialty consumer. Offering keto-friendly foods that taste great can help you to meet the growing consumer demand for foods with a health halo!

The keto lifestyle is likely to evolve and become less restrictive with a more balanced and holistic diet that is increasingly inclusive of higher quality carbs and grains.

Our versatile **Keto-Friendly Pizza Mix** was developed specifically for pizza operators with ease of use and freedom to innovate top of mind. This allows your customers to enjoy the taste, texture and crunch they crave in pizza without compromising their nutritional goals.
